

2009 **REPORT** **TO THE COMMUNITY**

**BOYS & GIRLS CLUBS
OF METRO DENVER**

The mission of the Boys & Girls Clubs of Metro Denver is to inspire and enable young people, especially those from disadvantaged circumstances, to realize their full potential as productive, responsible, and caring citizens.

Dear Friends,

During the span of any given afternoon, thousands of kids across our community pass through the doors of their Boys & Girls Club.

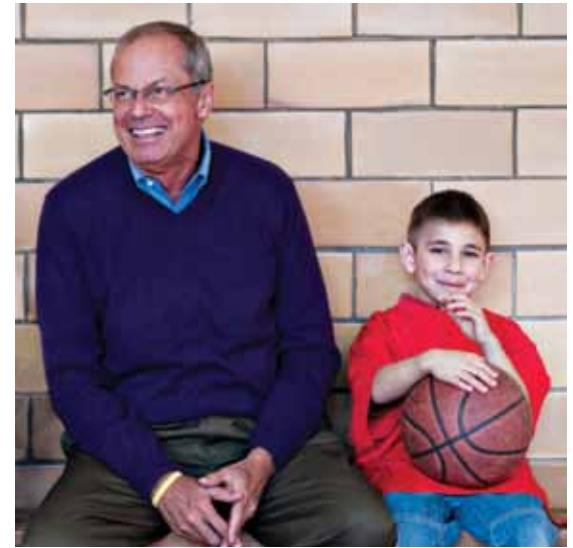

For some, the walk to their Club is a daily ritual after every school day. Their cumulative time at the Club often exceeds 20 hours a week, and their level of involvement might include each program area offered at the Club. They participate in leadership programs, and organize projects to improve their neighborhoods. They are peer leaders to younger members who look up to them. They excel in computer skills, and are preparing for their college entrance exams.

For many other kids, their visit to the Club might occur only once a week. It could be the one day of the week when their mom works late hours. Or it could be the day of the week their favorite program is offered – the one that is keeping them engaged in their school work and their community. The art program might be the outlet for their creativity. Or their basketball team might have practice that night.

And in still other instances, a child might enter a Club on a single – but critical – occasion. This could be the one day she needed a safe place to go because she missed her bus. Or it could be the day he lost his house key. But for the few hours spent inside the Club, that child is given a warm meal, a kind smile, a quiet place to read, and an opportunity to meet a new friend.

John Arigoni

John M. Shaw

The Boys & Girls Clubs of Metro Denver serves all of these kids thanks to your support. And while we know that the greatest impact occurs among those who participate the most, we never underestimate the impact to the one child – on the one day – when the Club was there when it needed to be.

For the one. For the many. For them all. Boys & Girls Clubs of Metro Denver continues to provide safe and enriching environments for the kids who need us most.

In our Report to the Community, we're proud to take you inside to show you how your investment is helping shape the lives and futures of every child who needs their Club.

With gratitude,

John P. Arigoni
President & CEO

Chairman of the Board

Welcome To The Boys & Girls Clubs Of Metro Denver!

Eight facilities across our community serve more than 9,100 young members, ages 6 to 18 years old. On average, more than 1,100 children visit their Boys & Girls Club each day during the school year, while more than 1,300 a day attend in the summer. As we visit each part of the Club through the following pages, you'll see how each program area helps kids succeed in school, develop healthy habits, and become leaders in their community....

- **TOTAL CLUB MEMBERSHIP: 9,169**
- **AVERAGE TIME SPENT IN A CLUB PER DAY:
3.1 HOURS DURING THE SCHOOL YEAR;
5 HOURS DURING THE SUMMER**
- **TOTAL NUMBER OF PROGRAM HOURS PROVIDED: 1,108,549**

The school day has just ended, and gradually Club members arrive one after another, in groups and pairs. The face behind the front counter is familiar, and each child is greeted by name as they hand over their membership card to check in. By scanning the card, the Club staff is not only able to keep a head-count, but also maintain a record over time of each child's participation.

The Clubs are open from 3 p.m. to 9 p.m. during the school year, and from 9 a.m. to 5 p.m. during the summer. The \$2 annual membership fee ensures that no child is ever turned away based on their family's circumstances. With more than 80% of our young members qualifying for free or reduced lunches, it's important that our Clubs are accessible to those who need us the most.

"The Club is very much like a home to me, and because it is close to my real house, I can come here whenever I need help, or am just lonely."

Education & Career Development:

- **1,878 KIDS RECEIVED 20,738 HOURS OF HOMEWORK HELP AND ACADEMIC SUPPORT**
- **1,463 KIDS READ 31,216 BOOKS AFTER SCHOOL**
- **1,277 KIDS READ 19,999 BOOKS IN THE SUMMER**
- **1,795 VOLUNTEER HOURS WERE PROVIDED TO HELP KIDS WITH THEIR SCHOOLWORK**
- **34 SCHOLARSHIPS TOTALING \$20,168 WERE GRANTED**

Our staff makes sure kids understand that their education is the platform upon which all of their dreams can be built. The support offered in the peace and quiet of our Clubs' Learning Centers has helped countless students stay engaged in their education. Far too often, children without the academic support they need at home become frustrated with their schoolwork. Staff and volunteers in our Learning Centers provide homework help and incentives that keep kids focused on developing good study habits and advancing their reading levels.

By being introduced to opportunities for post-secondary education and career options early, children are able to put their efforts into context and stay motivated in school. Our Clubs ensure that the value of an education is instilled in every child, and that our young members become sources of encouragement for one another.

Through academic competitions, college preparation programs, and career development offerings, our members are able to dream big. Access to academic scholarships granted by the Clubs helps honor the hard work and determination invested by those kids whose dreams have propelled them forward.

"The Club has taught me to dream and work to accomplish my goals."

Technology

Since many members don't have a home computer, providing them access through our Technology Labs is critical to helping kids keep up in the classroom. Each child completes an Internet safety course every year. Fun activities and competitions involving robotics, engineering activities, clay animation, digital photography, and others, give kids the chance to show off their technology know-how.

Through these programs, kids become proficient in computer hardware and software while building their analytical and critical-thinking skills. Science- and project-based learning, problem-solving exercises, innovation and creativity help prepare kids to ultimately succeed in the workplace. Our science and technology programs complement classroom learning, and even provide members the opportunity to become tech mentors to younger students.

- **4,427 KIDS PARTICIPATED IN TECHNOLOGY PROGRAMS**
- **PROFICIENCY IN INTERNET RESEARCH SKILLS INCREASED BY 29 PERCENT**
- **MEMBERS SUBMITTED 327 ENTRIES FOR DIGITAL ARTS EVENTS AND COMPETITIONS, RESULTING IN EIGHT REGIONAL WINNERS AND TWO NATIONAL BOYS & GIRLS CLUBS WINNERS**
- **TECHNOLOGY PROGRAM VOLUNTEERS CONTRIBUTED MORE THAN 600 HOURS**

"Without the Club, I probably never would have prospered in the area of technology like I have. Finding this passion of mine at the Club has become priceless in my life."

The Arts

Students who participate in art programs do better academically, participate more in their community, demonstrate more leadership qualities, and have higher self-esteem.* Yet some 29,000 children across our state attend schools without art programs. Our Clubs' Art Rooms give kids an outlet to express themselves in productive ways that help unlock their talents.

Through visual arts, photography, creative writing, crafts and performing arts, kids are exposed to a wide variety of tools of expression. Local, regional and national Boys & Girls Clubs competitions and exhibits help reinforce participation in art programs by celebrating exceptional achievements. Cultural arts programs such as dance, music, and cultural exploration help give kids a broader view of the world while developing an appreciation for different customs.

*Colorado Council on the Arts

- **MORE THAN 300 PIECES OF ARTWORK WERE SUBMITTED FOR JUDGING TO OUR FINE ARTS EXHIBIT**
- **THE WORK OF FIVE OF OUR YOUNG MEMBERS RECEIVED REGIONALrecognition as part OF THE BOYS & GIRLS CLUBS OF AMERICA'S FINE ARTS EXHIBIT**
- **276 IMAGES FROM OUR CLUBS WERE SUBMITTED TO THE IMAGEMAKERS PHOTOGRAPHY CONTEST**
- **MORE THAN 130 VOLUNTEERS ASSISTED WITH OUR ARTS PROGRAMS**

"I can show my emotions, culture, and so many other things through my artwork. My potential started to come out in my drawings."

Fitness & Healthy Lifestyles

For many of our young members, opportunities to participate in organized sports are limited because of financial considerations or family schedules. At our Clubs, members have access to football, volleyball, indoor and outdoor soccer, softball, t-ball, baseball and basketball – each offered at little or no cost to participants. Club teams compete against each other, vying for the citywide championship as they develop sportsmanship skills and build new friendships throughout the city.

Clubs' health and fitness programs extend beyond keeping kids physically active. Clubs engage kids at every grade level in activities that teach them how to take care of their bodies and avoid risky behaviors. In addition to warning about the risks associated with tobacco, drugs, alcohol, and sexual activity, Club staff work with kids to learn how to manage conflict and build good relationships with peers and family. Self-esteem and communication skills are also built through workshops and exercises that demonstrate the positive effect of a strong self image.

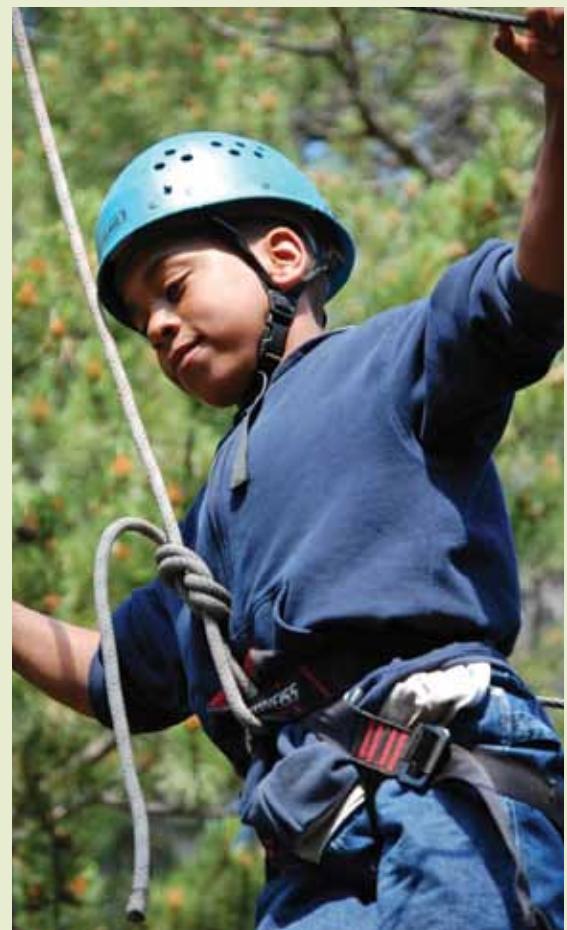

"Along with competitiveness comes sportsmanship. I can honestly say that I am a great loser!"

- **1,760 YOUNG ATHLETES COMPETED ON CLUB SPORTS TEAMS**
- **442 KIDS PARTICIPATED IN MORE THAN 10,970 HOURS OF PHYSICAL ACTIVITY IN A SPECIAL SIX-WEEK PROGRAM**
- **386 MEMBERS COMPLETED THE COMPREHENSIVE CURRICULUM FOR AVOIDING TOBACCO, ALCOHOL, DRUGS, GANGS, AND PREMATURE PREGNANCY**
- **MORE THAN 153,000 FREE MEALS WERE SERVED TO KIDS AT OUR CLUBS THROUGH OUR PARTNERSHIP WITH FOOD BANK OF THE ROCKIES**

Gates Camp

Our Gates Summer Camp in the beautiful Indian Peaks Wilderness provides life-changing outdoor experiences to 500 kids each year. Many of our members have never traveled far from their neighborhood, let alone to the mountains. Gates Camp allows them the chance to have a week-long summer camp experience to challenge themselves, have fun, and make new friends.

Character & Leadership

All of the programs within our Clubs strive to help kids realize their full potential as students, citizens and leaders. Outside the doors of our Clubs are countless negative influences and potential pitfalls that could interfere with a child's healthy development. Our leadership programs give kids the chance to demonstrate greatness and grow into positive role models.

Through organized leadership groups, workshops and conferences, kids learn how to become productive members of their communities. These lessons are then exercised through service-learning projects developed by the students. The impact of these activities is immeasurable, as for so many kids these projects represent the first evidence that they can affect change in their neighborhoods. These successes then empower students to take on greater leadership roles and responsibilities inside the Club, at home, in school, and in their community.

"The emotional satisfaction I gain from doing community service is more rewarding than any superficial award."

- **347 MEMBERS CONTRIBUTED 7,700 HOURS OF SERVICE TO THEIR COMMUNITIES**
- **99% OF MEMBERS WHO PARTICIPATED IN THE CLUBS' LEADERSHIP PROGRAMS HAVE REMAINED IN SCHOOL OR EARNED THEIR DIPLOMA**
- **FOUR OF OUR CLUBS RECEIVED REGIONAL AWARDS FOR SERVICE AND LEADERSHIP PROJECTS**
- **77 MEMBERS WERE RECOGNIZED FOR THEIR SERVICE TO CLUB AND COMMUNITY THROUGH THE ANNUAL YOUTH OF THE YEAR COMPETITION**
- **VOLUNTEERS CONTRIBUTED 560 HOURS OF MENTORING AS PART OF OUR LEADERSHIP PROGRAMS**
