Health Specialist – Green Valley Ranch Boys & Girls Club

Club/Office Location: Green Valley Ranch Boys & Girls Club

Job Description:

This position is part of a team-oriented Club staff dedicated to serving our youth and creating an optimal Club Experience. This position will plan, supervise and implement a variety of high-yield activities and targeted programs within a health and outdoor education focus. This is a grant funded position running through November 2019 with a likelihood of renewal.

This position primary responsibilities are:

- Planning and implementing the SPARK curriculum that is focused around active living.
- Recruiting and retaining youth for the health and outdoor programs and meeting pre-established attendance and graduation goals.

This position helps members to make appropriate choices about their education, career, social, physical and emotional needs as it relates to health and their interaction with the Colorado environment from their backyard to the backcountry. The position also assesses the developmental needs, interests and characteristics of youth to develop targeted programs that result in an outcome-driven club experience.

Additional responsibilities will include but are not limited to:

- Grant reporting, meeting with other club staff, participation in professional development.
- Inventory and care for materials.
- Upkeep of all program areas and Boys & Girls Clubs vehicles.

Job Requirements:

- Bachelor's degree from a regionally-accredited institution of higher learning in education, human or social services, theatre, art or a related field of study is preferred. Equivalent experience directly serving youth in a similar role may be substituted on a year-by-year basis.
- At least one year of direct youth service experience and will have a demonstrable record of planning and implementing youth programs. Previous experience working with at-risk youth is preferred, as is a background in health and/or outdoor education. Volunteer service may be substituted on a year-by-year basis.
- Planning and implementing a variety of health programs for members of all ages

- Grant reporting, meeting with other club staff, participation in professional development.
- Inventory and care for materials.
- Candidates must be able to pass a drug test and criminal records investigation.
- The successful candidate will primarily work indoors and outdoors, with outdoor work inclusive of moderately physically demanding activities. Accordingly, the ability to use a variety of outdoor equipment as well as janitorial and office equipment is required. The job requires the ability to stand for extended periods on uneven ground, kneel, reach, bend, and lift objects weighing in excess of 25lbs. The ability to read and write is necessary to complete reports and properly document program and organizational data.
- Continued employment is based upon the successful completion of Adult and Pediatric First Aid/CPR/AED courses and maintaining your certification which is paid for and coordinated by BGCMD.
