## Reading Specialist – Johnson Boys & Girls Club

**Club/Office Location:** Johnson Boys & Girls Club

### **Job Description:**

The Reading Specialist position is a perfect opportunity for any book lover pursuing a career in education, youth development and/or is interested in the nonprofit sector. As a Reading Specialist, you will promote our reading program to engage 50 – 100 youth within a Boys & Girls Club that serves up to 200 kids per day.

Through this opportunity, you will gain valuable experience working with a variety of age groups (6-18) meeting members at their current reading level, and working to improve it.

You will utilize data to set targets and goals for Club Members and ensure they hit them by creating a fun reading environment. This can be done by creating interactive and informative reading material on bulletin boards and collaborate with club staff to develop and manage incentive programs.

### **Job Requirements:**

- Bachelor's degree from a regionally-accredited institution of higher learning in education, human or social services, or a related field of study. Equivalent experience directly serving youth in a similar role may be substituted on a year-by-year basis.
- Preference for individuals with a teacher's certificate or experience teaching a literacy program with a focus on Renaissance Learning, Star Testing, and/or Accelerated Reader.
- Candidates must be able to pass a drug test, criminal and driving records investigation.
- The successful candidate will primarily work indoors. Accordingly, the ability to use a variety of equipment including janitorial and office equipment is required. The job requires the ability to stand for extended periods, kneel, reach, bend, and lift objects weighing in excess of 25lbs. Outdoor work and moderate physically demanding activities may be required on occasion.
- Continued employment is based upon the successful completion of Adult and Pediatric First Aid/CPR/AED courses and maintaining your certification which is paid for and coordinated by BGCMD.
