STEM Specialist – Suncor Boys & Girls Club

Club/Office Location: Suncor Boys & Girls Club

Job Description:

This position is the perfect opportunity for anyone pursuing a career in education, youth development, and/or is interested in the nonprofit sector. In this role you will plan, supervise and implement a variety of high-yield activities and targeted programs focused on science, technology, engineering, and math in a Club that serves up to 200 kids per day.

Activities should include: teaching technical skills, science projects and experiments, and robotics. This position will collaboratively organize and participate in club-wide and organizational-wide events.

Additional responsibilities may include: meeting with other club staff, inventory and purchase of teaching materials, upkeep of area, maintaining the budget and participating in ongoing professional development.

Job Requirements:

- Bachelor's degree from a regionally-accredited institution of higher learning in education, human or social services, theatre, art or a related field of study. Equivalent experience directly serving youth in a similar role may be substituted on a year-by-year basis.
- At least one year of direct youth service experience and will have a demonstrable record of planning and implementing youth programs. Previous experience working with at-risk youth is preferred, as is a background in education. Volunteer service may be substituted on a year-by-year basis.
- Candidates must be able to pass a drug test, criminal and driving records investigation.
- The successful candidate will primarily work indoors. Accordingly, the ability to use a variety of equipment including janitorial and office equipment is required. The job requires the ability to stand for extended periods, kneel, reach, bend, and lift objects weighing in excess of 25lbs. Outdoor work and moderate physically demanding activities may be required on occasion. The ability to read and write is necessary to complete reports and properly document program and organizational data. A valid driver's license and ability to be insured under the company's insurance policy is also a requisite.
- Continued employment is based upon the successful completion of Adult and Pediatric First Aid/CPR/AED courses and maintaining your certification which is paid for and coordinated by BGCMD.

The information presented indicates the general nature and level of work expected of employees in this classification. It is not designed to contain or to be interpreted as a comprehensive inventory of all duties, responsibilities, qualifications and objectives of employees assigned to this job. The Boys & Girls Clubs of Metro Denver is fully committed to Equal Employment Opportunity and to attracting, retaining, developing and promoting the most qualified employees without regard to their race, gender, color, religion, sexual orientation, national origin, age, physical or mental disability, citizenship status, veteran status, or any other characteristic prohibited by law.
